About Company

Glass Dubai Aluminium Profile Co. Ltd was established in 2006 with its main office located in Dar es Salaam at Mbezi Makabe along Morogoro road. Glass Dubai Aluminium Profile Co. Ltd is a trade supplier of aluminium profile and accessories, also dealing with manufacturing, installation and maintenance of aluminium & glass products.

Through out our experience of over 15 years in the market, our innovative and dynamic approach, combined with our commitment to quality and product diversity, we always work towards providing reliable and high quality products with best price range.

Our Vision

Our vision is to be a leading and reliable company in aluminium profile in Tanzania and be a preferred business partner.

Our Mission

We dedicated to providing high quality products and services to our customers by maintaining the highest level of integrity and innovation, while remaining environmentally responsible.
